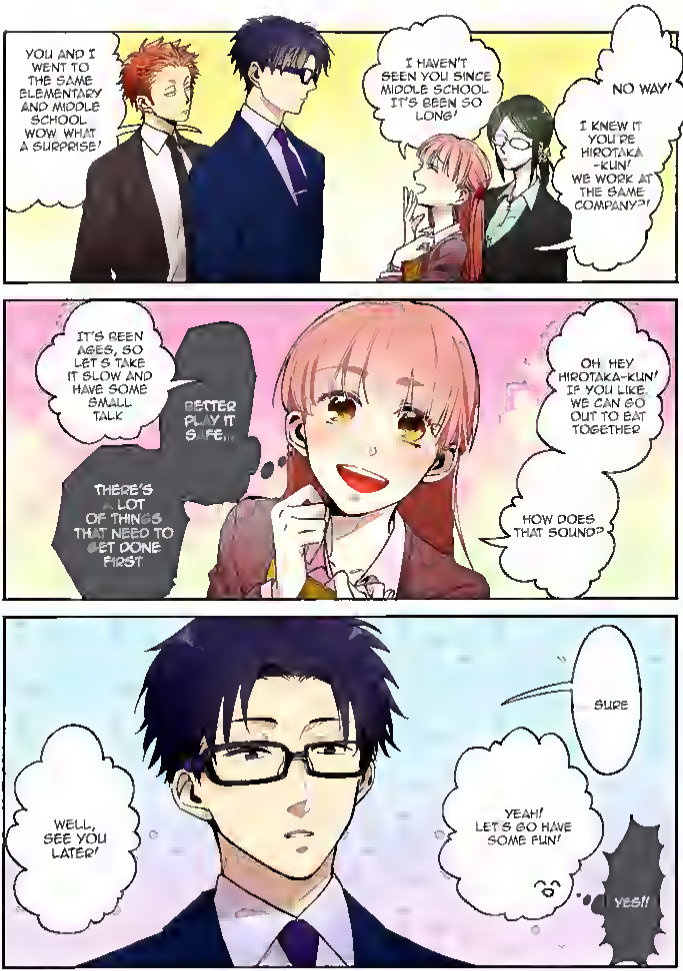
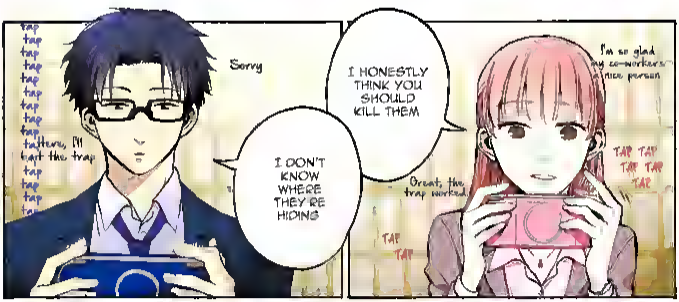
HUH?
HIRO-TAKA?
.....
NARUMI?
O-OAMMIT! THAT VOICE...!
Do you know her, Ninja?
What's wrong, Mommy-san?



YOU AND I WENT TO THE SAME ELEMENTARY AND MIDDLE SCHOOL. WOW. WHAT A SURPRISE.
I HAVEN'T SEEN YOU SINCE MIDDLE SCHOOL. IT'S BEEN SO LONG!
NO WAY! I KNEW IT YOU'RE HIROTAKA-KUN! WE WORK AT THE SAME COMPANY?!
IT'S BEEN AGES, SO LET'S TAKE IT SLOW AND HAVE SOME SMALL TALK.
BETTER PLAY IT SAFE...
THERE'S A LOT OF THINGS THAT NEED TO GET DONE FIRST.
OH, HEY HIROTAKA-KUN! IF YOU LIKE, WE CAN GO OUT TO EAT TOGETHER
HOW DOES THAT SOUND?
SURE
YEAH! LET'S GO HAVE SOME FUN!
YES!!
WELL, SEE YOU LATER!

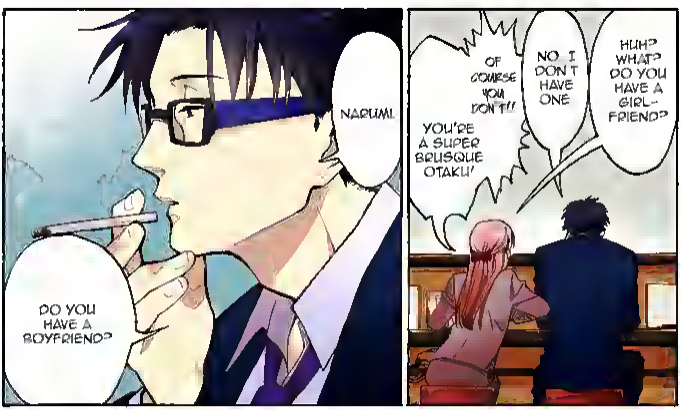
OH
NAOMI
No, nothing like that
Ex-prog-friend?
THANKS TO THAT, I'M KIND OF FEELING RELIEVED

ARE YOU PRESENTLY INVOLVED IN THE COMIC BOOK SCENE?

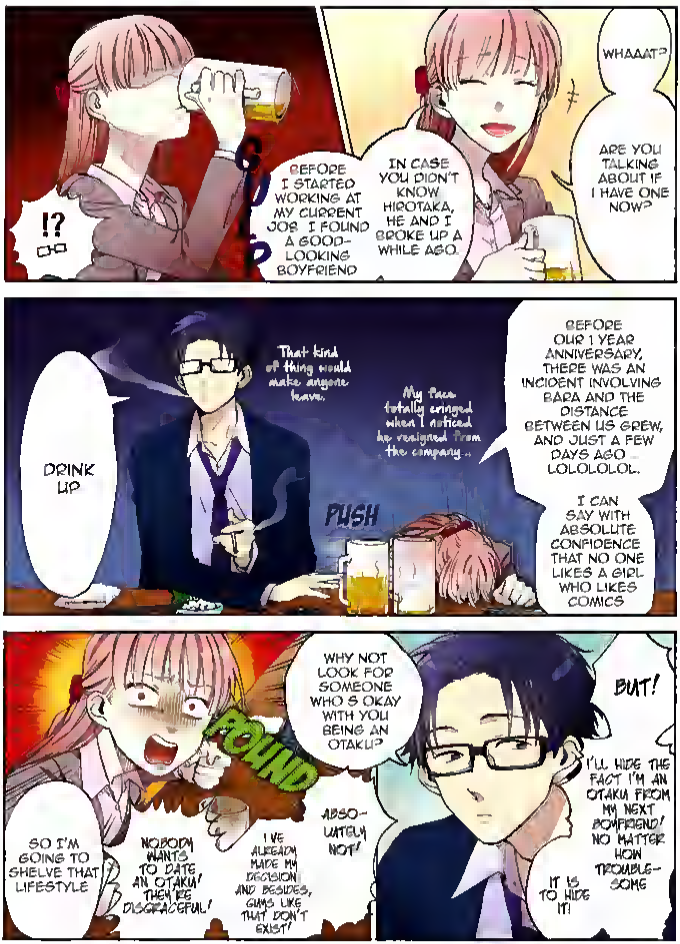


tap tap tap

SO YOU REALLY SWITCHED JOBS, HUH, HIROTAKA?
THE COMPANY HAD A RUMOR THAT THERE WAS A BAPA OTAKU AROUND.
BUT INSTEAD IT WAS JUST A GUY WHO'S A GAMING OTAKU!
OH, A QUEST ACHIEVE-MENT!
IT'S NOT LIKE I WAS TRYING TO HIDE IT
MIND IF I SMOKE?
ALL RIGHT THEN
GO FOR IT
IT'S BETTER IF YOU HIDE IT! OTAKUS ARE FROWNED UPON
NOT NECESSARILY



NARUMI
DO YOU HAVE A BOYFRIEND?
HUH? WHAT? DO YOU HAVE A GIRL-FRIEND?
NO, I DON'T HAVE ONE
OF COURSE YOU DON'T!!
YOU'RE A SUPER BRUSQUE OTAKU!



!?
BEFORE I STARTED WORKING AT MY CURRENT JOB I FOUND A GOOD-LOOKING BOYFRIEND
IN CASE YOU DION'T KNOW HIROTAKA, HE AND I BROKE UP A WHILE AGO.
WHAAAT?
ARE YOU TALKING ABOUT IF I HAVE ONE NOW?
DRINK UP
That kind of thing would make anyone leave.
My face totally cringed when I noticed he resigned from the company..
PUSH
BEFORE OUR 1 YEAR ANNIVERSARY, THERE WAS AN INCIDENT INVOLVING BARA AND THE DISTANCE BETWEEN US GREW, AND JUST A FEW DAYS AGO... LOLOLOLOL.
I CAN SAY WITH ABSOLUTE CONFIDENCE THAT NO ONE LIKES A GIRL WHO LIKES COMICS
SO I'M GOING TO SHELVE THAT LIFESTYLE
NOBODY WANTS TO DATE AN OTAKU! THEY'RE DISGRACEFUL!
I'VE ALREADY MADE MY DECISION AND BESIDES, GIRLS LIKE THAT DON'T EXIST!
ABSO-LUTELY NOT!
WHY NOT LOOK FOR SOMEONE WHO'S OKAY WITH YOU BEING AN OTAKU?
BOUND
BUT!
I'LL HIDE THE FACT I'M AN OTAKU FROM MY NEXT BOYFRIEND! NO MATTER HOW TROUBLE-SOME IT IS TO HIDE IT!

AS A GAMING OTAKU, I'M NO EXCEPTION.
LOVE IS ENOUGH OF A GAME AS IT IS
WHAT?

YOU'RE OKAY, THOUGH HIROTAKA
ALTHOUGH YOU DON'T HAVE THE ENERGY FOR LOVE ANYWAY
Annoyed
NOPE.
Woooo
NOPE!
ESPECIALLY NOT WHEN YOU ACT LIKE THAT
YOU'RE NOT MY TYPE!
SO WE'LL JUST HAVE TO BE OTAKU FRIENDS
WE'RE NOT MEANT TO BE LOVERS, Y'KNOW?
STARTING TODAY WON'T I BE YOUR SENPAI, HIROTAKA?
GET REAL.
ARE YOU GOING TO INTRODUCE YOURSELF AS SOMEONE'S GIRLFRIEND?
LOVE IS SO DIFFICULT, Y'KNOW~
DON'T SCOWL. YOU SHOULD BE RELIEVED! AND THIS TIME THERE WILL BE PROPER INTRODUCTIONS.
~IT IS
WHICH REMINDS ME..
EXCUSE ME. I'LL HAVE A MALT BEER
AH
SO YOU'RE A CO-WORKER STILL INVOLVED IN THE COMIC BOOK SCENE

THUS BEGAN THE RELATIONSHIP OF THESE TWO OTAKUS

Momose Narumi

Birthday: 5/3
Age: 26
Height: 154cm
Blood Type: A
Sign: Taurus

Manga, comics and cosplay are all up her ally, and at one time she had a superficial knowledge of the fashion scene. She's a fan of multiple genres, loving many of them at the same time.

Sake: She actually has a pretty strong tolerance
Smoking: She doesn't smoke, but likes guys who do smoke.

She's no good at making tea, but she's OL, and a fujoshi. Because she likes things such as cosplay, BL and otome games, she also likes 3D idols, etc, but she lacks patience.

She pours her whole being into her work and keeps up good appearances. She's clever.

She's somewhat close with her family, but hides the fact that she's an otaku from them. She has terrible luck when it comes to falling in love with men.

She likes the idea of romantic dramas, even though she can never fill the role. When it comes to love, she has a bit of experience, but she's also pretty thickheaded about it.

She's known Hirotaka since childhood (he's the one who got her into the otaku life) and is the only one who really knows about her being an otaku. She thinks that finding a boyfriend she can share a deep connection with is important

Nifuji Hirotaka

Birthday: 3/20
Age: 26
Height: 184cm
Weight: 70kg (or around there)
Blood Type: B
Sign: Pisces

He specializes in video games, but he also reads a lot of manga and watches a lot of anime. (He likes all kinds of games, but he's especially fond of FPS games, fighting games and action games, where it's not necessary to level up.) He goes for one person in video games and finds everything from visuals to status as being important.

Sake: He doesn't get drunk.
Smoking: He's an idiot who smokes.

He's often complimented on his good looks at work, even though he has some high spec glasses on top of being a gaming otaku. Without games, he'd die. He basically has no interest in other people, not because he doesn't like them but because he wants to spend his spare time at home playing games.

He isn't very emotional and his facial expressions can be pretty severe, but that doesn't mean he's a bad guy.

Because he spends so much time playing games in comparison to talking with other people, he has very few friends. He doesn't care enough to hide the fact that he's an otaku. He likes games, smoking and drinking. (He doesn't get drunk because he doesn't drink a lot at once.)

What he likes in the opposite sex is big breasts and finds that to be one of the best physical assets.

He prefers e-mail for communication as the tension isn't as high as it is otherwise.

IS THE WEST ENTRANCE OK?

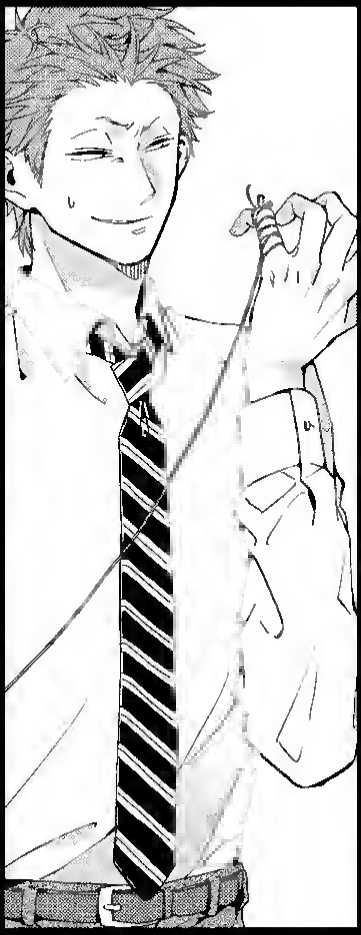
Kabakura Tarou

Birthday: 11/9
Age: 28
Height: 180cm
Weight: 72kg
Blood Type: O
Sign: Scorpio

He's majorly into manga and games, which he has good taste in. He also has good taste in the merchandise he owns. Compared to the typical otaku, however, he falls a little short. Before he gets into new characters, he takes into consideration the guilty feeling he has about crime fiction and married life genres, former wives and current wives meeting genres, and the system type of wife-donos entering temples.

Sake: When he drinks too much, he gets sleepy
Smoking: When he heard about the tax increase, he stopped.

Hirotaka's senpai. Everything about his face might be scary, but he's someone you can rely on to take good care of people. Things pertaining to heroes and bishoujos are topics he enjoys when compared to the typical otaku. He doesn't know the extent in which Narumi is an otaku, but even though she hides her otaku lifestyle from him, she and Hirotaka's hobbies are rubbing off on him. He says things like, "Ah, I'm not a total otaku" so that he can give himself peace of mind. He keeps a watchful, parental eye over the relationship between Hirotaka and Narumi. Even though he fought with Koyanagi like cats and dogs when they were students, they've somehow formed a relationship of some kind



Koyanagi Hanako

Birthday: 8/28
Age: 27
Height: 167cm
Blood Type: AB
Sign: Virgo

She likes things like drama, stage theatre and 3D. She also has a soft spot for anime and manga, as well as BL. Witty characters who love someone with all of their might are the type of people she admires and for some reason, feels similarly about minor characters.

Sake: She has a lot of tolerance, so she doesn't bother to drink much.
Smoking: Very rarely

Narumi's senpai and friend. She's someone who gives off a cool impression while keeping a level head and a fit body. The neighborhood she lives in is full of cosplayers, and some of them even cosplay famous male figures. She feels relieved when she's able to see them, but it can be troublesome to the point where she speaks critically of them, yet she doesn't go as far as to push them away. She's aware of Narumi being an otaku due to her "coming out" and revealing her nature. Nowadays, they have the kind of relationship where they refer to each other as "Naru" and "Hana-chan." She thinks Narumi and Hirotaka's relationship is cute one moment and is watching over them critically the next. Even though she fought with Kabakura like cats and dogs when they were students, they've somehow formed a relationship of some kind. She has a habit of having provocative behavior when she's with Kabakura and when it's just the two of them, she treats him like a spoiled child. It's troublesome.
